

Saint Paul's is so much more than a beautiful church, and a beautiful place to worship. It is a vibrant community of faith, integrated in the life of the city.

Rather than attempting to create an exhaustively comprehensive list, we offer this pamphlet as an overview of many of the ministry areas through which you may return your gifts to God and The Church — at Saint Paul's parish, within the Episcopal Church in Minnesota, and as a member of the worldwide Anglican Communion. This pamphlet is meant to be a supplement to your parish directory, where you'll find e-mail addresses and phone numbers for those individuals listed as primary contacts for each ministry activity.

Whether you participate in one of the ministry areas listed within this resource, or bring new gifts to Saint Paul's, we're glad you're here to walk us as we go forth into the world to love and serve the Lord. Thanks be to God!
