

A Solemn High Mass

COMMEMORATING BLESSED PAUL'S SHIPWRECK IN MALTA

Please join us as the choirs of Saint Paul's on Lake of the Isles, Saint Paul's on-the-Hill, and Saint Martin's by-the-Lake combine forces to premier a new congregational Mass setting by Craig Carnahan.

Rippling Voluntaries by Ottorino Respighi and Derek Bourgeois will lick the shores of this festive liturgy, anchored by Herbert Sumsion's aquatic romp *They that go down to the sea in ships*, a most remarkable choral setting of Psalm 107.

An Immaculate Reception will follow, fireside—in the Parish House. Childcare will be available. Life jackets are optional.
